

# First Presbyterian Church

## November 2024

Dear Church Family,

This has been an interesting and challenging year in the life of the First Presbyterian Church of Rolla. The challenges of our church budget remain real and ongoing. We are blessed that we are meeting our 2024 budget goals. We are blessed that we are able to meet our 2024 mission goals. The church's hope is that your support for our ministries comes from a profound sense of gratitude and joy for all you receive through your relationship with God and as a member of our church.

Throughout this year we have been able to keep our doors open and worship both in person and virtually, we are blessed. With this year's challenges such as fires, hurricanes, strong winds, virtually everything, we have been able to contribute and change the lives of people in this community and elsewhere through our giving, we are blessed. Please pray about your giving this fall and how we want to be more in the name of God for the church, our community, the nation, and the world.

Consecration Sunday will be November 24, 2024. Budget determination is already ongoing. We have some challenges as well as opportunities to consider. Please use this time to reflect and pray as you consider the many ways you yourself are blessed. Then give gratefully, generously, and joyfully in support of our ministries.

Sincerely in Christ,

The Administrative Committee
